

## *Harriet's Song*

By Kirk Jay Mueller (April 20, 2013)

1.) She took her Joey to the beach one day.

(Harriet can carry it)

When someone asked her along the way,

"Harriet, can we come too?"

### **Refrain/Chorus**

She said, "You all can come along..."

If you just sing this song.

I'll carry your stuff 'til I've had enough,

'Cause I'm so nice and strong."

2.) Wanda asked, "Can you take my chair?"

(Harriet can carry it)

Then Wendy said, "It's only fair,

If you carry my swim fins, too." (Sing the Refrain/Chorus)

3.) Does Harriet really have the space?

(Harriet can carry it)

For a big surfboard in her pouchy place,

Can she carry a kayak too? (Sing the Refrain/Chorus)

4.) Poor Harriet was getting tired and sore,

(Harriet can carry it)

Can she carry ANY more?

Or has Harriet had enough? (Sing the Refrain/Chorus below)

She said, "You all can come along..."

If you just sing this song.

I'll carry your stuff 'til I've had enough,

'Cause I'm so nice and strong." (sing it again)
